Reference: ADDA/DGP/LNR-226/2521/2014-15 dated 23.02.2015

Decisions of pre - bid meeting held on 03.03.2015 related to license of Energy Park for revitalization, operation & maintenance for a period of 25 years.

1. On account of entertainment tax being 14.5 %, the entry fees of the park as mentioned in Clause no 12 of the Bid document may be incremented every year with prior approval of this authority if there is an increase in the entertainment tax of the govt.
2. The initial entry fees for the park shall be decided in mutual consultation with the successful bidder.
3. The successful bidder is free to introduce family packages for the science & amusement park at viable rates as feasible in the market.
4. There shall be an initial gestation period of one year, during which the consultant need not pay any revenue to this authority. This gestation period is awarded for rapid completion of execution of the proposals.
5. The successful bidder shall not use the park for any commercial purpose during the gestation period.
6. In case of early completion of execution by the successful bidder, the gestation period may be adjusted.
7. The gestation period shall not be extended beyond one year under any circumstances.
8. On account of the gestation period the consultant shall submit the financial offer in the following format (refer clause 9 of the bid document):
9. *Rupees per annum for the first four financial years after the gestation period (from the date of receiving of the work order).*
10. *Rupees per annum for the next five financial years.*
11. *Rupees per annum for the next five financial years.*
12. *Rupees per annum for the last ten financial years.*
13. On account of the gestation period the amount of security deposit has been enhanced to Rs 5,00,000/- (Five lakhs) in reference to clause no 14 of the bid document.
