Sub: Hosting of Gazette Notification S084E in website of Urban local bodies & Zoning map for Durgapur Airport

Dear Sir,

Kindly refer to this office letter number. BAPL/DGP/APT(OPS)/L/DM/2014-15/394 dt. 15<sup>th</sup> Jan, 2015 (Copy attached) wherein we had forwarded the letter from the office of Prime Minister, Government of India, directing all urban local bodies to host S084E in their respective websites.

In respect to the same we are also forwarding the zoning map for Durgapur Airport with this letter for your kind reference & necessary direction to all the concerned for compliance. NOC for the construction of any building/chimney/antenna etc. should be governed with respect to attached airport zoning map of Durgapur Airport to ensure aerodrome safeguarding keeping future extension of runway as per approved dimension i.e 3315 meter X 45 meter.

Thanking you,

For Bengal Aerotropolis Projects Limited

  
Virender Singh  
Airport Director

**Sub: Forwarding of Letter-Direction from PMO to request all Urban Local Bodies to host copy of Gazette Notification SO84 E on Website**

Dear Sir,

Please refer attached Government of India, Ministry of Civil Aviation letter no. AV-20036/12/2014-AAI dated 15/16.12.2014 and also Gazette Notification SO84-E dated 14<sup>th</sup> Jan, 2010 forwarded by Airports Authority of India-Eastern Region through e-mail dated 12<sup>th</sup> Jan, 2015.

No Objection Certificate (NOC) for height clearance is a statutory requirement and is issued by Airports Authority of India on behalf of Central Government to ascertain airspace around the airport is maintained free from obstacles to permit the intended aircraft operations to be conducted safely.

To attain the objective of safe operations of aircraft, it is imperative to ensure that the airspace around Kazi Nazrul Islam airport is kept free from obstacle. This can be achieved by establishing series of obstacle limitation surfaces that define the limits to which the object project in the airspace.

Construction of Building/ Chimney/ Mast/ Transmission Line etc. around 20 km radius of Aerodrome Reference Point (ARP) of KNI Airport-Durgapur i.e 23°37'27.7"N (Latitude) 087°14'32.5"E (Longitude), Height 85 Meter above mean sea level must have No Objection Certificate issued by NOC Cell of Airports Authority of India-Eastern Region (Kolkata).

It is our request to issue necessary directions to all the concerned officials for strict compliance of Gazette Notification so as to prevent the airport from becoming unusable by the growth of obstacles around KNI Airport-Durgapur and also for the hostage of SO84 E on the ADDA website to facilitate the applicants for applying height clearance.

Looking forward to join our hands together for Implementation of NOC regime as per SO84 E.

Thanking you!
