Memo No. ADDA/DGP/ED/G-57(XXXII)/24-25/182

Date: 14/08/24

Online EOI No. ADDA/DGP/ED/EOI-01/2024-25

For and on behalf of ADDA, Executive Engineer (Civil), A.D.D.A. invites Expression of Interest (EOI) (Two Bid System in two Parts) in Authority's contract form from reliable and resourceful eligible consultancy firm or Agency for the works given below.

Sl. No	Name of the work	Initial Earnest Money (By DD/Pay order) in Rs.	Time allowed for Completion	Cost of Formal Agreement papers.
1.	Empanelment of Firm(s) for preparation of DPR for balance works of 5 MGD water supply scheme at EPIP and assisting Asansol Durgapur Development Authority (ADDA) for selection of a suitable agency for completion of unfinished 5 MGD Water Supply Scheme, commissioning and running the scheme for revenue generation in the State of West Bengal.	Rs.5,000.00	120 days	1,000.00

Important Dates

Sl.	Particulars	Date & Time
1.	Online Document Download and Bid Submission start Date	on 20.08.2024 from 10:00 Hrs. IST
2.	Online Document Download and Bid Submission end Date	on 05.09.2024 at 15:00 Hrs. IST
4.	Pre Bid Meeting	27.08.2024 at 15:00 Hrs IST at ADDA Board Room, City Centre, Durgapur-16
3.	Bid opening Date at the office of the Executive Engineer (Civil), ADDA, Durgapur	on 09.09.2024 at 15:30 Hrs. IST

Details of EOI documents available in Annexure –I which is attached herewith.

DISCLAIMER

The information contained in this Expression of Interest (EOI) document or subsequently revised to the prospective Technical Consultant, whether verbally or in documentary form by or on behalf of ADDA or any of its employees or Consultants, is provided to the prospective Technical Consultants on the terms and conditions set out in this EOI document and any other terms and conditions subject to which such information is provided. This EOI is not an agreement and is neither an offer nor invitation by the Authority to the prospective Applicants or any other person. The purpose of this EOI is to provide interested parties with information that may be useful to them in the formulation of their Proposals pursuant to this EOI. Assumptions, assessments and statements do not purport to contain all the information that each Applicant may require and also may not be complete, accurate, adequate or correct. Each Applicant should, therefore, conduct its own investigations and analysis and should check the accuracy, adequacy, correctness, reliability and completeness of the assumptions, assessments and information contained in this EOI and obtain independent advice from appropriate sources. The Authority accepts no responsibility for the accuracy or otherwise for any information, interpretation or opinion of law expressed herein. This EOI document does not purport to contain all the information each prospective Technical Consultant may require. This EOI document may not be appropriate for all prospective Technical Consultants and it is not possible for ADDA and their employees or Consultants to consider the objectives, financial situation and particular needs of each prospective Technical Consultant. Certain prospective Technical Consultants may have a better knowledge of the proposed selection than others. The Authority and its employees make no representation or warranty and shall have no liability to any person including any Applicant under any law, statute, rules or regulations or tort, principles of restitution or unjust enrichment or otherwise for any loss, damages, cost or expenses which may arise from or be incurred or suffered on account of anything contained in this EOI or otherwise. The Authority may in its absolute discretion, but without being under any obligation to do so, update, amend or supplement the information, assessment or assumption contained in this EOI. ADDA reserves the right to reject, cancel, terminate, change or modify this selection process and/or requirements of bidding stated in the EOI document, at any time without assigning any reason or providing any notice and without accepting any liability for the same.

Executive Engineer (Civil),
Asansol Durgapur Development Authority
1st Administrative Building, City Center
Durgapur-713216.

Request for Proposal (EOI) is hereby invited by Asansol Durgapur Development Authority (ADDA) from the reputed, reliable & resourceful Companies / Firms / Contractors having experienced and acumen in consultancy works as noted below and eligibility is depicted here under for participating in the quotation.

1	Name of Work:	As mentioned in the First Page.
2	Location :	Raw water pumping house / intake point situated at Birbhanpur on the bank of river Damodar, Rising mains from intake point to WTP at Export Promotion Industrial Park (EPIP), WTP with its all components situated at EPIP and distribution line at EPIP & Bamunara Industrial area.
3	Eligibility to participate in the Bid	Registered, bonafide, reliable and resourceful Consultancy Firms having experience and technical acumen in similar nature of jobs during the last five financial years in Govt. Deptt./Board/Semi-Govt./ Corporation /Statutory Authority/Undertaking etc. and qualified technical personnel specially proficiency in Water Supply Engineering / with sound knowledge and experience in similar types of works.
4	Documents to be produced in support of Credential for quotation	Credential certificate on successful preparation of similar type of works (Work done value, Date of completion of project and detail communicational address of Client must be indicated in the Credential Certificate.) Key professional staff qualification and competence for the assignment (At least 01 (one) degree holder and 03 (three) diploma holder having experience of Water Supply Engineering. Legible documents such as-Pan Card, Professional Tax Certificate, Trade License, Valid 15-digit Goods and Services Taxpayer Identification Number (GSTIN) under GST Act, 2017, Bank Account Details of the Bidder to be submitted with the Technical Bid document. Income Tax (Saral) Acknowledgement Receipt for two consecutive years i.e. for the last two years to be submitted. All taxes shall be deducted from all types of Bill, Challan of P.T., etc. and annexure I attach with this EOI, have to be submitted.
5	Earnest Money :	Rs.5,000.00 (Rupees five thousand) only as an initial Earnest Money Deposit shall be paid by selecting from either of the following payment modes (refer Finance Order no. 3975-F(Y) dated 28/07/2016); (i) Net banking (any of the banks listed in the ICICI Bank Payment gateway). Balance Earnest Money beyond Rs.5,000.00/- (if any, to fulfill 2 % of amount offered) shall be deposited by the successful Quotationer at the time of agreement. The EMD for the successful Quotationer will be converted to Security Deposit (SD) and additional amount of 8% of amount offered will be deducted towards SD from RA/Final Bill(s)

6.Date and Time Schedule :-

Sl.	Particulars	Date & Time
1.	Online Document Download and Bid Submission start Date	on 20.08.2024 from 10:00 Hrs. IST
2.	Online Document Download and Bid Submission end Date	on 05.09.2024 at 15:00 Hrs. IST
3.	Pre Bid Meeting	27.08.2024 at 15:00 Hrs IST at ADDA Board Room, City Centre, Durgapur-16
4.	Bid opening Date at the office of the Executive Engineer (Civil), ADDA, Durgapur	on 09.09.2024 at 15:30 Hrs. IST

Date of opening of Financial Proposals will be declared after technical evaluation.

7	Time of completion of Assignment	120 calendar days from the date of issue of Work Order.
---	----------------------------------	---------------------------------------------------------

	General information	Project with particular reference to location and immediate facilities. They are to make a careful study with regard to availability of all relevant factors as might affect their rates and prices. Work should be carried out as per relevant IS specifications, CPHEEO Manuals, Clauses & Sub Clauses of the Quotation documents and to have fully acquainted with all details of work front, communications, underground utility services, existing & proposed site levels, position and diversion of transportation and barricading , if required, electricity and any other general information including topological condition & existing level and level pertaining to and needed for the work to be completed in time properly.
9	Quotation documents	A full set of quotation documents consists of 2 Parts. These are: Part I containing all documents in relation to the name of the firm applied for and credentials possessed by them along with all documents as depicted in Sl. No. (4.) AND RELEVANT SECTION AS MENTIONED IN CONTENT.
10	Validity Period of Quotation	A Quotation submitted shall remain valid for a period of 120 calendar days from the date of publication of Quotations. Any extension of this validity period if required will be subject to concurrence of the Quotationers.
11	Withdrawal of Quotation	A Quotation once submitted shall not be withdrawn within the validity period. If any Quotationer(s) withdraw his/their Quotation(s) within the validity period then Earnest Money as deposited by him/them will be forfeited.
13	Intimation	The successful Quotationer will be notified in writing of the acceptance of his Quotation. The Quotationer then becomes the "Consultant" and he shall forthwith take steps to execute Formal Contract Agreement in 2911(i) & 2911(ii) Slandered Form of Govt. of West Bengal with the Executive Engineer (Civil), ADDA and fulfill all his obligations as require by the Contract. After the quotation is provisionally accepted, the Consultant shall submit DPR containing detailed Survey Report including drawing and design etc. within stipulated time frame.
14	Escalation of Cost	There will be no escalation of cost and the contract price mentioned in the contract stands valid till completion.
15	Name & address of the office for submission of DPR	Executive Engineer (Civil), 1 st Administrative building, City Center, Durgapur-713216
17	Influence	Any attempt to exercise undue influence in the matter of acceptance of quotation is strictly prohibited and any quotationer who resorts to this will render his quotation liable to rejection.

The successful Technical Consultants shall be required to carry out the work and responsibilities and should perform the activities as enumerated (a) to (d) below:-

a. Technical Consultancy services will entail through checking for correctness of the approved engineering design prepared by the previous agency which is available with ADDA and modify accordingly by competent authority and subsequently vetted by a reliable & reputed Govt. institute. Preparation of Detail Project Report (DPR) incorporating cost components of civil, electrical, mechanical and instrumentations required to operationalisation of the scheme for the rest portions of the work and vetting of DPR by competent authority, preparation of Tender Document, assist ADDA to tender processing and other assistance for tendering & evaluation for selection of competent bidder through open bidding and award, to actual execution through monitoring. The Technical Consultant shall prepare all working drawings of the balance works other than the drawings available with ADDA. The Technical Consultants, for the purpose, will also prepare, Notice Inviting Tender (NIT), Contract Agreement and other related documents for selection of the appropriate agency to complete the balance work. The Technical Consultant, thus selected, shall assist ADDA to fulfill its obligations and requirements in respect of approval of the project from GoWB.

b. As the project under consideration is a left out turnkey Water Supply Scheme, first and foremost requirement is to assess the work has been executed and the balance work is to be executed for commissioning and successfully running of the system i.e. assessment of the as-it-is infrastructure of the WTP and allied unfinished components, and identify gaps in terms of infrastructure, and designing. The successful Technical Consultant would be allowed to access all the documents available with ADDA such as 'Vetted design and drawings of the project', 'Mutually agreed Price breakup schedule', 'Component wise (on percentage basis) Bills entered in Measurement Book and Running Account (RA) bills paid to the agency before termination'.

c. The Technical Consultant should assisting ADDA in respect of Technical knowhow considering the reverted design & drawings is in order & correct. However if any discrepancies noticed and changes required in the design & drawings during execution that to be corrected without any extra cost.

d. Project monitoring activities and related consultancy services/documentation during the execution/implementation of the project upto the completion of the project from the date of issue of LoI.

- Assistance in conducting Pre-bid conference and responding to the queries received earlier or raised during the pre-bid meeting.
- Assistance in evaluation of the Bids and finalizing Evaluation report in connection to selection eligible bidder.
- Assistance in award of the LOI to the successful Bidder and signing of the final contract agreement.
- Providing specialized engineering consultancy service in connection to the implementation of the project and find out most amicable solution with viable technical support in respect of conflict arising out during implementation stage with ADDA and the consultant acceptable to both the parties.. However the decision of the Engineer-in-Charge will be conclusive and binding to all the parties.

technical issues related with civil & electro-mechanical field. List of electro mechanical machineries with vendor list along with cost for any ancillaries should be furnished in detail. Operation and Maintenance cost as per CPHEEO manual should be included. Other civil and electrical works such as cost for boundary wall where required, utilities like yard lighting, optimum elimination inside each units etc. should be provided. Technical Specifications in details should be furnished. Detailed design, drawings and estimate balance works should be furnished.

□

The Consultant should responsible to clarify and/or meet up the technical issues during approval process as well as rendering all sorts of Technical advice during implementation of project at site. All proposals should be finalized with due consultation & approval of the Executive Engineer (Civil), ADDA /Competent Authority.

Following clauses are to be adhered to, by the concerned Quotationer during the process of Quotation.

19. Persons having authenticated and having registered Power of Attorney may be considered lawfully becoming to be acting on and for behalf of the Bidder.
20. Quotation Acceptance Authority is Asansol Durgapur Development Authority.
22. No conditional/ incomplete quotation shall be entertained.
23. Technical bid will be submitted duly digitally signed in the Website **<http://wbtenders.gov.in>**. Quotation documents are to be downloaded from website & submission of Technical /Financial Quotation as per Schedule.
24. The Quotation, at the Quotationer's own responsibility is encouraged to visit and examine the site of works and its surroundings and obtain all information that may be necessary for preparing the quotation and entering into a contract for the work as mentioned in the Notice Inviting Quotation, the cost of visiting the site shall be at the Quotationer's own expense.
25. The intending Quotationers shall clearly understand that whatever may be the outcome of the present invitation of Quotations, no cost of Quotation shall be reimbursable by the Executive Engineer (Civil), ADDA. The Executive Engineer (Civil), ADDA reserves the right to reject any application for purchasing Quotation documents and to accept or reject any or all the offered quotation /quotations without assigning any reason whatsoever and is not liable for any cost that might have incurred by any quotationer at any stage of Quotation.
26. Prospective applicants are advised to note carefully the minimum qualification criteria as mentioned in 'Instructions to Quotationers' before Quotation.
27. During scrutiny, if it is come to the notice to quotation inviting authority that the credential or any other papers found incorrect/manufactured/fabricated, that quotationer will not be allowed to participate in the quotation and that application will be out rightly rejected without any prejudice.

- (a) All related expenditure incurred by the bidders for preparation, submission, clarification, all correspondences, corrections, transportation cost etc. shall not be borne by ADDA.
- (b) As per the evaluation criteria specified above, selected successful bidder maybe called for negotiations for improvement of Terms of Reference and scope of work and financial terms. ADDA reserves the right to negotiate with the successful bidder.
- (c) The selected bidder will have to enter into an agreement / contract with ADDA within 7 (seven) days of issuance of the acceptance letter and thereafter Work Order shall be issued.
- (d) The periodical supervision or review progress of the work should be carried out preferably be once in a forth night and If required, the frequency may increase and visits to the Project site might be increased. Authorised [persons of ADDA may visit to the work site at any time and the consultant bound to allow.
- (e) The quoted consultancy fees would be included with GST and all relevant taxes as applicable and taxes likely to be imposed or rate of taxes during escalation. No revision will be entertained in future.
- (f) No escalation of cost shall be entertained under any circumstance.

(29) SELECTION / ACCEPTANCE OF THE SUCCESSFUL BID / OFFER:

- (a) The final selection / acceptance of the bid / offer shall be made by ADDA.
 - (b) The accepting Authority / ADDA reserves the right to withdraw from whole process or any part thereof or to accept or reject any or all bid (s), offer (s) including the lowest bid/ offer received at any stage of the process without assigning any reason whatsoever to the participants. No formal obligation shall accrue to ADDA or in such an event authority shall not be responsible for non- receipt of correspondence sent by post / e-mail / fax / courier.
- (30)** No conditional bid/offer shall be accepted.
- (31)** The Bidders shall have to show original copies of the submitted documents at the time of evaluation of the bids if the Authority so desires.
- (32).** The Bidders or their authorized representatives may remain present at the time of opening of bids. The schedule of opening may be altered depending on unavoidable circumstances.
- (33)** Bidder shall not be in a conflict of interest with one or more parties in the bidding process.
- (34)** In electronic tendering system e-Filing intending bidder may download the quotation documents from the website **<https://etender.wb.nic.in>** or **wbtenders.gov.in** directly by the help of his Digital Signature Certificate (DSC).
- (35)** In case of online submission, Technical Bid and Financial Bid both will be submitted concurrently duly digitally signed in the Website **<https://etender.wb.nic.in>** or **wbtenders.gov.in** Quotation documents may be downloaded from website & submission of Technical Bid / Financial Bid as per the Date / Time Schedule stated in this EOI. The documents submitted by the bidders must be genuine and else the Authority may take action under the prevailing law.

Bid including dates, venue, conditions, minutes of meeting etc. will be uploaded in the ADDA website (www.addaonline.in) which will be treated as public announcement / communication required for the EOI / Bid will be treated as revised accordingly. Bidders are advised to follow ADDA website (www.addaonline.in) regularly related to the captioned project for all public announcements / communications.

PRESENT STATUS OF THE PROJECT & PROCEDURE OF SUBMISSION OF BID

1} INTRODUCTION OF THE PROJECT

Asansol Durgapur Development Authority (here in after call it as ADDA) constituted under The West Bengal Town and Country (Planning and Development) Act, 1979 and the rules made there under and any direction which the State Government may give, from time to time, the powers and functions of ADDA shall be in accordance with the section 13 of the WBT&C(P&D) Act, 1979. The Act to provide for the planned development of rural and urban areas in West Bengal and for matters connected therewith or incidental thereto. It is expedient in the public interest to provide for the planned development of rural and urban areas in West Bengal and for matters connected therewith or incidental thereto.

Durgapur Town, situated in Paschim Bardhaman District of West Bengal, is one of the major Industrial Towns of Eastern India. It is home to the Durgapur Steel Plant, one of the largest steel plants in the country and the largest industry in the state. Many other plant and factories have thrived here making it the single most important industrial centre in West Bengal. The area also houses the Durgapur Barrage which is one of the most important structures of the DVC.

The Industrial town has grown over the decades. The initial growth that was prevalent in the 1950's and 60's, however, showed down in the two decades thereafter. Lack of investments and closing down of certain industries were noticed in the 70's and 80's. However, the area is well located and is supported by natural resources and minerals and therefore investments have started flowing in over in the last 10-15 years again. This has resulted in the setting up of more industries, and, along with it, other infrastructural facilities like Hospitals, Roads, Education Institutions. In fact, it is fast becoming notable educational centre of the state.

The ADDA, set up in 1981 under the provisions of the West Bengal Town & Country Planning Act 1979, is the nodal body entrusted with planning and providing infrastructure for the industrial belt. The ADDA has been responsible for the total development of the Asansol and Durgapur sub divisions and is trying to develop and provide modern infrastructural facilities to entice more industries and help in the economic growth of the area.

Durgapur is well located. It lies on the Kolkata (Howrah) – Delhi Railway Line and also on the Golden Quadrilateral of Highways connecting the major cities of India. The Grand Trunk Road passes through the town. Besides, Durgapur is blessed with nearby deposits of good quality iron ore, coal and lime. Due to its favorable position with respect to mineral resources, its proximity to rivers (River Damodar and River Ajay), availability of labour and market, it has grown with more and more industries like Iron and Steel, Thermal Power, Cement, Chemical, Machinery and other allied industries.

The water required for the industrial units at EPIP have been evaluated by ADDA to be about 22,700 m³/day which is about 5 MGD. This volume includes the present demand for process water as well as the projection for another 10 years. The requirement of water has been calculated through door-to-door survey of the industrial units and based on the volume requirement as formally put forth by each industry including future expansion.

(A) LOCATION

Export Promotion Industrial Park is located beside NH-2 in between Rajbandh and Durgapur. It is about 10 Km east of Durgapur along the highway. This Park falls on the south of the NH-2,

inside & outside in this growth centre, notably Joy Maa Satinet Pvt. Ltd., Stalberg Pvt. Ltd., Supreme Industries Limited, Denoman Polypack Ltd, Allied ICD Services Ltd. Parth Pharmachem, Sova Power Pvt. Ltd. Global Vision, Joy Balaji Sponge Iron, Joy Balaji Power Plant, Joy Balaji D.I. Pipe, Ultratech Cement Ltd., Alchemist, RDC Concrete, Neo. Metalicks Pvt. Ltd. DVC Power Sub-stn. Some industries in the verge of expansion and needs water urgently for running the industry efficiently. The industries presently operating at EPIP have been surviving on minimal infrastructure in connection to supply of water. These industries get very little supply of water from ADDA. They have to meet their process water demand almost entirely from tapping underground aquifers or from nearby ponds. These arrangements have been made completely from their even resources. However, the situation has come to a pass that their very survival becomes difficult without proper supply of water. The availability of water is gradually reducing as underground water becomes scarce and local surface water bodies dry up in summer. Moreover, the fluctuation in available water quality also interferes with the manufacturing processes.

(B) PROJECT DETAILS

(i) SOURCE OF WATER

The requirement of water is considerable and the obvious source for such a large volume is the Damodar River. No other canal/water body in the area would be capable of such quantity of water. It is considered to draw water from the Harbour Pond at the mouth of the Feeder Canal near Durgapur Barrage. The average flow in the Damodar is greater than 10,000 cusecs. The quantity of water that is proposed to be drawn from the river is less than 0.1%, which is negligible. Moreover, the catchment of the river covers a large area across western part of West Bengal, Bihar and Jharkhand which receive considerably heavy and reliable rainfall. Besides, the regulation of water at the Durgapur Barrage shall ensure that the top water level in the Harbour Pond is maintained. Thus, no problem is foreseen regarding availability and drawing of raw water.

(ii) INTAKE ARRANGEMENT

It is considered to provide an intake arrangement at the Harbour Pond near Durgapur Barrage. The intake arrangement shall be comprised of a raw water entry pipeline consisting of four 600 mm dia NP3 Hume pipes in parallel, from the pond end leading upto the wet sump of the raw water pump house for entry of water to the pump house. Raw water lifting pumps, provided in the raw water pump house shall draw water from the wet sump and pump through the raw water delivery main to feed the 5 MGD Water Treatment Plant at EPIP site. All civil and electro-mechanical works of the pump house have been considered in the estimate. Electrical power is available at EPIP. The land required for the intake is under possession of ADDA.

(iii) RAW WATER DELIVERY PIPELINE:

The delivery pipeline to EPIP shall be comprised of 700 mm dia. Ductile Iron K-9 Class pipes. The pipeline alignment shall follow the outer fringe of the service road on the left bank of the Left Bank Main Canal (LBMC). There shall one major road crossing i.e. the Bankura Road where it crosses the LBMC, at chainage 2040 m. Minor road crossings shall be encountered at Deshbandhu Nagar and Namosagardanga Bridge at chainage 3420 m and 4925 m respectively. A suitable pipe bridge consisting of mild steel structural members considered for taking the pipeline across the cross channel siphon on the LBMC. On the pipeline route alignment it is considered to jack push at location TP No. KM-166/23-26 between railway station Durgapur & Rajbandh of Asansol Division.

Treatment Plant raw water delivered through the above pipeline shall be first collected at a raw water collection well from which it shall be led through a measuring channel where chemicals shall be dosed. Mixing of chemicals shall be achieved at the Flash Mixing Unit prior to Flocculation and Clarification at the Clariflocculator. Clarified water shall be led to the Filter Beds for further treatment and thereafter collected in the Clear water Reservoir. Arrangement for storing, mixing and dosing of chemicals shall be provided in the Chemical House along with an Office space. Back washing and scouring shall be done with water and air from an overhead wash water tank and from air blowers respectively.

v) **DISTRIBUTION PIPE LINE**

Distribution pipeline surrounded by EPIP & Bamunara Industrial State. Most of the distribution pipe line laid and all pipes are procured. Stop gaps are to be laid in this project.

(2) **PRESENT STATUS OF THE SCHEME:-**

The project is a water supply project specially designed for supplying water to the existing and upcoming industries mainly located in and around Export Promotion industrial Park(EPIP) and of immense importance so far as the increasing water demand of the industrial & commercial areas. SMS Paryavaran Limited was awarded with the work with stipulated date of completion of the project as 31.07.2016. The project was a turnkey EPC contract and SMS PARYAVARAN LIMITED designed, vetted, procured the materials. Initially the agency entrusted for the work doing well but with the passage of time the site activities had lost its momentum slowly and even after several reminders the agency continues to remain reluctant to execute the work. The agency failed to comply with the date line to complete the work, rather the site activities goes on in interrupted way and ultimately the project activity suspended from December-2017. Termination letter of the project to the agency issued on 27.09.2018 and at that point of time the agency executed about 70% of work as per tender stipulations. Now, since the project is a water supply project and water is a basic utility service, efficient operation and maintenance, up-gradation and management is required. In addition, considerable revenue shall have to be generated by ADDA.

Electro-mechanical equipments having been purchased, but not utilized over a period of more than four and half year since the date of purchase, the said equipments may not be as effective as desired. Further, the core of one of the transformers supplied for utilization for the project has been stolen from the site and site is vulnerable to theft of other valuable materials lying at project site. As per the contract document, Jack pushing work assigned to the SMS Paryavaran Limited, however ADDA would facilitate to get permission and other official permissions. ADDA approached railway authority for permission of jack pushing at location TP No. KM-166/23-26 between railway station Durgapur & Rajbandh of Asansol Division. After several communications from either sides and joint site visit, permission for jack pushing finally obtained on 07.10.2016 subject to realization of Rs. 30,97,143.00. Demand Draft of requisite amount drawn in favour of railway authority by SMS Paryavaran Limited and deposited on 28.03.2017 to the railway authorities

Now, balance works has to be completed and water required to be supplied to the direct consumers of ADDA from the project. A competent agency shall have to be appointed to execute rest portion of the work in open bid method so that water supply project can be efficiently commissioned and considerable revenue will be generated by ADDA simultaneously. However, before undertaking the process of transparent bidding process to select a competent agency, it is necessary to prepare a bidding document containing all the physical and financial parameters for sustainable and efficient commissioning of the project.

It is envisaged that the assignment will be undertaken by a team who has adequate experience in the field of Water Treatment, water supply, The Technical Consultant is required to depute qualified, experienced and competent persons in respective fields required to handle the balance works of the projects. The assignment will be contracted by the Executive Engineer (Civil), or his representative on behalf of ADDA to liaison with the Technical Consultant.

(4.4) ITEMS TO BE PROVIDED BY ADDA:

ADDA will provide vetted and approved design and drawings of the project, mutually agreed price break up schedule, copy of the bills and Measurement Book (MB) entries and other all the relevant information and documents available with ADDA to the Technical Consultant. ADDA also provide assistance to assess the quantum of work executed and balance work is to be executed in the field and accompany the Technical Consultant at sites of the project if required.

(5) BRIEF DESCRIPTION OF THE SELECTION SCHEDULE:-

5.1. SCHEDULE OF SELECTION PROCESS:

The Authority would endeavor to adhere to the following schedule:

Sl.	Particulars	Date & Time
1.	Online Document Download and Bid Submission start Date	on 20.08.2024 from 10:00 Hrs. IST
2.	Online Document Download and Bid Submission end Date	on 05.09.2024 at 15:00 Hrs. IST

(6) VISIT TO AUTHORITY AND VERIFICATION OF INFORMATION

Applicants are encouraged to submit their respective unconditional proposals after visiting the Raw Water Intake Station, Water treatment Plant & CWR and ascertaining for themselves the availability of documents and other data with the Authority. Applicants requiring any clarification on the EOI may send their queries to the Authority in writing letters/email well in advanced of the pre bid meeting to enable this Authority to clarify the doubts/queries and to provide additional information appropriately. The envelopes/email shall clearly bear the following identification and subject:

“Queries/Request for Additional information concerning EOI for appointment of Technical Consultant” for Assisting the Asansol Durgapur Development Authority (ADDA) for quantum of work done and balance work remaining to commission and running the system in a sound manner for Unfinished 5 MGD Water Supply Scheme at EPIP”.

ADDRESS FOR COMMUNICATION:-

(7) AMENDMENT OF EOI

At any time prior to the deadline for submission of Proposal, the Authority may, for any reason, whether at its own initiative or in response to clarifications requested by an applicant, modify the EOI document by issuance of Addendum / Amendment, by conveying the same to the applicants by letters or e-mail and by posting on the website www.addaonline.in and the amendments will be binding on all applicants. In order to afford the applicants a reasonable time for taking an amendment into account, or for any other reason, the Authority may, in its sole discretion, extend the date for submission of bid.

(8) RIGHT TO REJECT ANY OR ALL PROPOSALS

The Authority reserves the right to accept or reject any Proposal and to annul the selection process at any time without any liability or any obligation for such acceptance, rejection or annulment, and without assigning any reasons thereof. If such disqualification / rejection occurs after the Proposals have been opened and the L1 applicant gets disqualified / rejected, then the Authority reserves the right to consider the L2 applicant, or take any other measure as may be deemed fit in the sole discretion of the Authority, including annulment of the selection process.

(10) PRE-PROPOSAL CONFERENCE (PRE-BID MEETING)

Pre-Proposal Conference shall be convened at the designated date, time and place. During the course of Pre-Proposal Conference, the Applicants will be free to seek clarification and make suggestions for consideration by the Authority. It is desirable to put forward queries and suggestions well before the Pre-Bid Meeting for consideration of the Authority. The Authority shall endeavor to provide clarifications and such further information as it may, in its sole discretion, consider appropriate for facilitating a fair, transparent and competitive Selection Process. However the Authority reserves its right not to respond to any queries or provide any clarifications not connected with the present scheme. ADDA in its sole discretion, reserve the rights to not disclose, provide information irrelevant to the project and respond to any question or to provide any clarification at that effect.

(11) PREPARATION AND SUBMISSION OF PROPOSAL

11.1. The Proposal and all communications including supporting documents should be in English only.

11.2. The Proposal shall be signed in respective places by the authorized signatory of the applicant. The authorization letter or power of attorney should be enclosed with the proposal.

11.3. Applicant should note that except as specifically provided in this EOI, no supplementary material will be entertained by the Authority.

behind no bid or part of the bid will be returned to the bidder.

11.5. The intending bidder are required to submit Rs. 20,000.00 (Rupees Twenty Thousand) only as EMD. Without EMD no bid will be entertained and reject summarily.

(12) MANNER OF SUBMISSION OF TECHNICAL & FINANCIAL PROPOSAL:

12.1. The bid to be submitted following e-Tender methods & norms using Digital Signature.

12.2. EARNEST MONEY DEPOSIT:

Rs.5,000.00 (Rupees five Thousand) only.

12.3. SECURITY DEPOSIT:

02% (Two Percent) of total Bid amount which includes Rs. 5,000.00 deposited as EMD and in excess of 02% to be submitted before issue of Letter of Award (the "LOA") will be converted as Security Deposit. Security Deposit will be deducted @ 8% from each R/A bill and will be retained with ADDA till the commissioning of the project. Security Deposit is liable to be forfeited by ADDA in case the DPR detected faulty during execution and the same not rectified within a reasonable time and for the mistake detected and ADDA has to bear any type of financial liability whatsoever in excess to the mention in the contract document signed with the selected bidder due to the mistake.

(14) EVALUATION PROCESS :-

14.1. The Authority shall open the Proposal on the date as mentioned in the schedule and in the presence of the Applicants who choose to attend.

14.3. The Authority reserves the right to reject any Proposal which is nonresponsive and no request for alteration, modification, substitution or withdrawal shall be entertained by the Authority after the bid submission date.

14.4. To facilitate evaluation of Proposals, the Authority may, at its sole discretion, seek clarification / additional information from any Applicant regarding its Proposal. Such clarification(s) shall be provided in writing within the time specified by the Authority for this purpose, failing which the Proposal shall be liable to be rejected. In case the Proposal is not rejected, the Authority may proceed to evaluate the Proposal by constructing the particulars requiring clarification to the best of its understanding, and the Applicant shall be barred from questioning on such interpretation of the Authority.

14.5. The Empowered Committee/Tender Committee will scrutinize the tender taken up in the order that would suit its convenience. As there shall be no pre-determined order in which the tenders will be taken up for scrutinizing, non-responsiveness of a tender on any ground whatsoever, which might have been responsive if opened earlier, cannot be called in question and there shall be no scope for reconsideration on this ground.

(15) AWARD OF CONSULTANCY:

After selection, a Letter of Award (the "LOA") shall be issued in duplicate, by the Authority to the Selected Applicant and the Selected Applicant shall, within 7 (seven) days of the receipt of

the event the duplicate copy of the LOA duly signed by the Selected Applicant is not received by the stipulated date, the Authority may, unless it agrees to extension of time for submission thereof, cancel the LOA and next Applicant may be considered. After signing of the LOA, the Technical Consultant will be required to enter into an agreement with ADDA.

(16) COMMENCEMENT OF ASSIGNMENT:

The Technical Consultant shall commence the work as per the Terms of Reference within 7(seven) days of the date of acceptance of the LOA or such other date as may be mutually agreed. If the Consultant fails to either acknowledge the LOA or commence the assignment as specified herein, the LOA shall stand automatically terminated, the earnest money of the bidder shall stand forfeited and in such a situation the authority shall be entitled to proceed with the matter as it deemed fit. As per the terms of reference adequate manpower would be deputed on the project site to carry out necessary documentation and preparation of DPR. The TA would depute adequate manpower and other resources at respective locations based on work load and specific requirement. All the liabilities of manpower working on the project would be with the TECHNICAL CONSULTANT .

If the project gets shortened, the Technical Consultant will be paid for the stage of work completed and accepted. The bidders have to quote lump sum fees in Indian rupees inclusive of all taxes and all expenses, etc. complete in all respect.

(17) ACKNOWLEDGEMENT BY TECHNICAL CONSULTANT

It shall be deemed that by submitting the Proposal, the Technical Consultant has:

- (a)** Made a complete and careful examination of the EOI document;
- (b)** Received all relevant information requested from the Client;
- (c)** Acknowledged and accepted the risk of inadequacy, error or mistake in the information provided in the EOI document or furnished by or on behalf of the Client or relating to any of the matters referred above;
- (d)** Satisfied itself about all matters, things and information, including matters referred herein above/under, necessary and required for submitting an informed Application and performance of all of its obligations there under;
- (e)** Acknowledged that it does not have a Conflict of Interest; and
- (f)** Agreed to be bound by the undertaking provided by it under and in terms hereof.

The Client shall not be liable for any omission, mistake or error on the part of the Technical Consultant in respect of any of the above or on account of any matter or thing arising out of or concerning or relating to the EOI document or the Selection Process, including any error or mistake therein or in any information or data given by the Client.

(18) TERMINATION OF THE ENGAGEMENT

If the performance of the Technical Consultant is not up to the satisfaction of ADDA or the Technical Consultant fails to perform as per the agreed Terms of Reference (TOR), ADDA reserves the right to terminate the engagement with right to claim damages, loss etc. as deemed fit. In that case a written notice will be served to the agency before terminating the contract.

19) DICLARATION : (On Applicant's letter head)

The proposal is unconditional and unqualified.
