Note:

- Following the de-regulation docket, all previous conditional approvals are fully omitted. Only activities explicitly declared under the Prohibited Activities column are barred; all alternative configurations are permitted by right.
- Any land use or activity found to violate statutory laws, environmental clearances, judicial mandates, or established public safety regulations may be restricted on a case-by-case evaluation.
- While issuing development permission, the concept of inclusive zoning, on the context of this prohibited land uses that are non-permissible in the zone, will be encouraged by allowing all other uses and by allowing mixed use development following the concept of flexible land use zoning.
- This prohibited list has been prepared to enable enhancement of more commercial and industrial activities wherever possible.
- Land use practices that enhance productivity or conserve environmental value without causing long-term degradation shall be encouraged. Conversely, land use practices that are detrimental to public safety and security, the environment (including flora, fauna, and biodiversity), or neighbouring properties may be prohibited.
- The State Government reserves the right to amend or introduce additional provisions within this list in the public interest via official gazette notifications.
- All directions issued u/s 135 of the WB T&C (P&D) Act, 1979 shall be followed.
- Notwithstanding anything contained in the foregoing provisions, any use or activity prohibited under any applicable law, statute, rule, regulation, notification, or by any order, judgment or direction of a competent Court, Tribunal or Authority in India, as amended from time to time, shall also be deemed to be prohibited.
